# Privacy Policy

*Last Updated: September 2025*

## **1. Information We Collect**

Life Check is designed to minimize data collection. Information such as your name, caregiver names, and caregiver phone numbers may be stored locally on your device. Account creation is not required.

## **2. How Information Is Used**

Information stored in Life Check is used solely to allow you to contact or notify your selected caregiver(s) and to enable optional safety and status messaging features.

## **3. Data Storage**

All personal information is stored locally on your device. Life Check does not store user data on external servers and does not maintain a centralized database.

## **4. Data Sharing**

We do not sell, rent, trade, or share your personal information. Messages sent to caregivers may use your device's native messaging services and are subject to your carrier's policies.

## **5. Third-Party Services**

Life Check does not use third-party advertising, tracking, or analytics services. Communications with caregivers or emergency services occur outside the app.

## **6. Children's Privacy**

Life Check is not intended for children under 13. We do not knowingly collect personal information from children.

## **7. Security**

We take reasonable measures to protect your information by limiting data collection and avoiding centralized storage. No mobile application can guarantee absolute security.

## **8. Changes to This Policy**

We may update this Privacy Policy from time to time. Updates will be reflected by revising the Last Updated date.

## **9. Contact Information**
